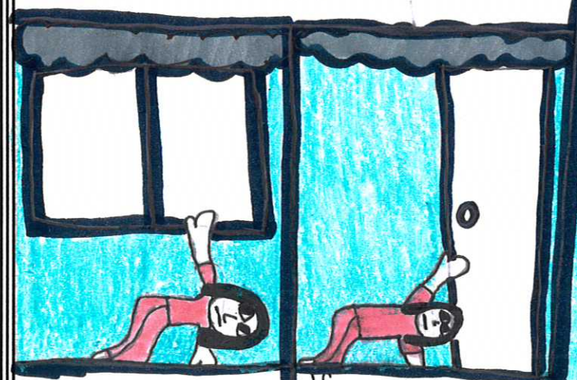
Step One. What to do in case of a fire

crawl over to the door or window and feel it



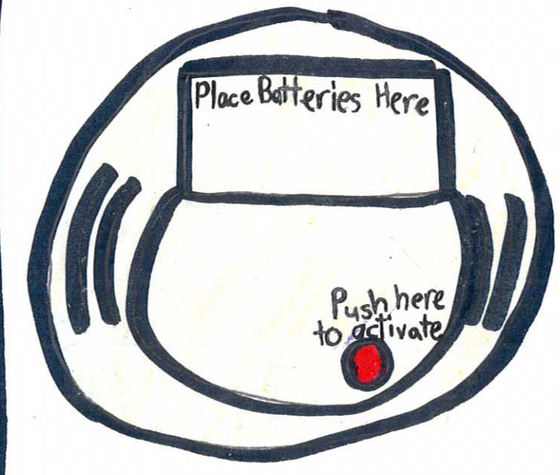
If one is hot try the other one

Step Two. What to do in case of a fire.

If one is cool open it and get out

Step Three. Find a place that is at least 20 feet away from the burning building

This is a smoke alarm



Fire Safety Rules

Keep away from lighters or matches. Don't leave stoves or Fireplaces on without anyone in the room. Stay away from powerlines to avoid an electrical fire. Don't play with stoves BBQs or Ovens. After blowing out or Snuffing Candles run them under water to make sure they don't relight. These Are Some Ways To Avoid Fires.
