4. PUBLIC COMMENTS FOR ITEMS NOT ON THE AGENDA

- Laura Greenberg inquired about having CERT refresher training and wondered if SB Fire would ever offer it.

5. UNFINISHED BUSINESS

- We are using channel one to inform people about preparedness

- Janet mentioned San Francisco Chronicle and www.sf72.org as other sites for information.
- Zidane mentioned using elected official's social media platforms to get the word out.
- Schlice stated there had been no movement about our CPC having their social media platforms. We can post on the fire department social media pages in the meantime. I also presented the group with some graphics made by the city to be shared on channel one. The graphics will be posted and shown on channel one during the appropriate months. Committee voted to approve graphics.

STAFF REPORTS

Fire – The COVID-19 numbers are going down throughout the whole county here. A lot of people are getting vaccines. The new type six fire engine should be here in a couple of weeks. It will be live at Station 52. The Fire Department is going thru new hire recruitment.

Police – We are sending two brand new police officers recruits to the Academy, which starts on Monday. As for around town, it has gotten busier. The new flock camera system can immediately find stolen vehicles. They run plates all day long, like what Shelter Creek has. April is distracted driver awareness month, so you will see a lot of times an influx of officers, but the state of California gives grant money to the police departments

6. COMMITTEE REPORTS

Radio Club – Not a lot to report. Still holding a zoom meeting. However, a ham out of Ohio did do a presentation for our last meeting.

Red Cross – None

CERT- A virtual CERT is still ongoing with no skills date planned yet. Our new Fire Inspector is CERT Instructor trained and will help teach future classes.
