To: City Manager’s Office; Public Information Office; Engineering; Fire Chief; Fire Marshal; Chief of Police; Utilities & Operations Deputy Director and Utilities & Operations Service Managers; City Hall and Library Staff

Contract: 2023-24 and 2024-25 Street Rehabilitation Project

Project Nos.: 60039 & 60048

Subject: Traffic Impacts on Linden Avenue between Kains Avenue and Jenevein Avenue

The City’s contractor, McKim Corporation, has begun sidewalk work, including curbs, gutters, and curb ramps, on Linden Avenue between Kains Avenue and Jenevein Avenue as part of the 2023-24 and 2024-25 Street Rehabilitation Project.

Starting on Tuesday, March 4, 2025, and continuing through Saturday, March 8, 2025, weather permitting, there will be **traffic impacts due to paving operations**, including temporary road closures and detours on Linden Avenue between Kains Avenue and Jenevein Avenue.

To minimize disruptions to City Hall, the San Bruno Library, Fire Station 51, and Allen Elementary School, paving on Linden Avenue between Angus Avenue West and Jenevein Avenue is scheduled to be completed on Saturday, March 8, 2025. Please see the enclosed location map for project limits.

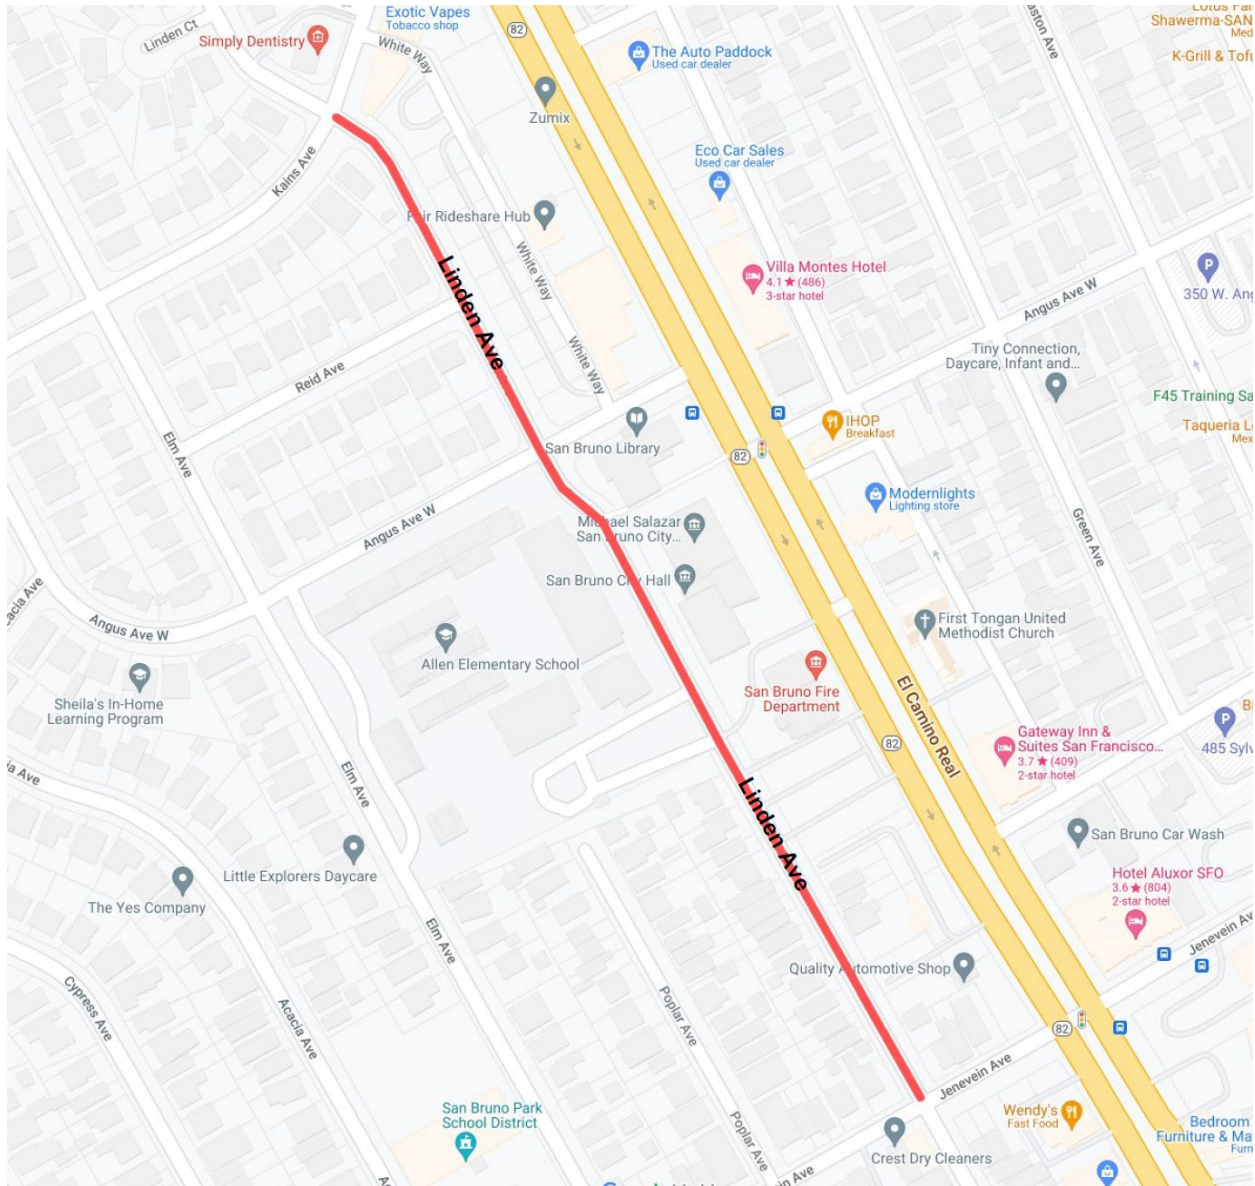

In the event of an emergency after regular business hours, the Contractor’s contact information is as follows:

## NOTICE OF STREET RESURFACING

City of San Bruno, Public Works Department - Engineering Services Division

**2023-24 AND 2024-25 Street Rehabilitation Project / Project No. 60039 & 60048**

**General hours, 8:00 AM to 5:00 PM (unless otherwise posted)**

Expected Construction Timeline: 11/25/24 to 4/21/25

**WHAT'S BEING DONE:** City of San Bruno has contracted with McKim Corporation to resurface streets in the area, and complete concrete improvements to sidewalks and street corners at various locations. We appreciate your cooperation in this matter and will do our best to minimize the inconvenience to your homes and businesses.

**Project Description:** The work to be done includes - pavement treatments, mill & fill, asphalt patching of failed areas, adjusting utilities to grade, replacement of pavement striping, markings, legends and markers, Concrete Improvements. Expect "No Parking" signs, lane closures, and minor traffic delays. "No Parking" signs will provide planned dates of construction in your neighborhood.

On separate occasions during the next few months, McKim Corporation, including their subcontractors under contract with the City of San Bruno, will carry out construction operations at locations that may affect your normal parking, driving, and biking habits. It is advised to allow additional time for travel. **"No Parking" signs will be posted at least 72 hours in advance with planned dates of construction.** Make sure your car is not parked on the posted streets, or locations between the hours shown on the "No Parking" signs. On those dates, construction crews may appear at any time. Any cars remaining on the street during the posted hours **will be towed at the owner's expense.**

Unfortunately, due to unforeseen conflicts that can occur, we cannot guarantee that the work will occur on the date scheduled. (**NOTE:** In the event of rain or any other unforeseen delays, the "No Parking" signs will be updated with the new dates)

**\*\*\*EMERGENCY VEHICLES WILL HAVE ACCESS AT ALL TIMES\*\*\***

### **IMPACT ON OTHER SERVICES (GARBAGE PICK-UP, MAIL, ETC.):**

You should not expect any change in scheduled dates for delivery or pick-up services (garbage collection, mail, etc.) Although delivery times may change, dates will not be affected. Residents will be notified by flyers of any exceptions.

If you need assistance, or have conflicts/questions with the work, please see contact information below.
