PUBLIC WORKS – ADMINISTRATION AND ENGINEERING

Oakmont Drive Pressure Regulator Valve Replacement Project

Project No. 11017

Published: January 13, 2026

As part of the Oakmont Drive Pressure Regulator Valve Replacement Project, the City of San Bruno's (City) contractor, Casey Construction, Inc., will begin construction to replace an aging water infrastructure at Oakmont Drive and St. Cloud Drive. The completion of this project will provide residents with a more reliable water infrastructure and improve water services to the neighborhood.

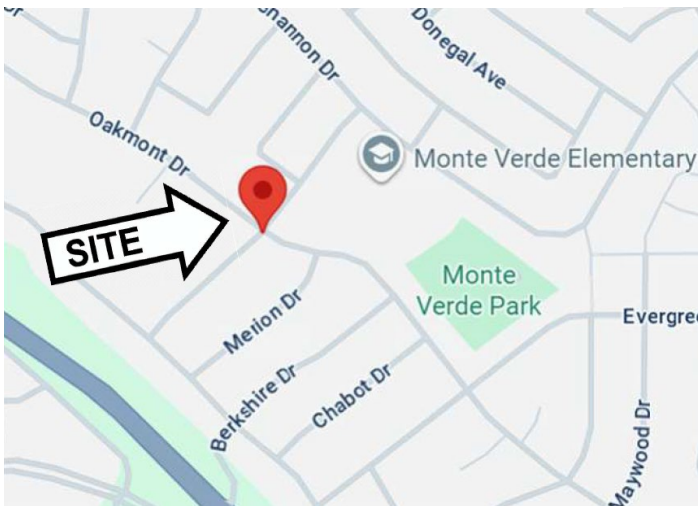

CONSTRUCTION SCHEDULE

Start Date: January 20, 2026*

End Date: Spring 2026*

**Note: Weather and construction issues could impact the schedule*

PROJECT LOCATION

WHAT TO EXPECT:

- **PARKING:** Street parking will be impacted near construction zones. "No-parking" signs will be posted 72 hours in advance. Please note the time, date, and location of the posted temporary "no street parking" signs and plan to park accordingly.
- **TRAFFIC:** Temporary lane closures may occur near construction zones. Follow all traffic control signs and **DO NOT** move any barricades, cones, or delineators. Advance notice and detour signage will be provided, as needed.
- **ACCESS:** Residents in the work zone will have access to their driveways and entrances during construction.
- **NOISE:** Residents in the work zone will hear construction noise periodically during work hours of 8:00 AM – 5:00 PM, excluding weekends and holidays.
- **NOTICE:** Expect to receive additional notices from the City's Contractor.
