

# BATTALION CHIEF

Department: Fire  
FLSA Status: Non-Exempt

Revision Date: 01/01/13

## DEFINITION

Reporting to the Deputy Fire Chief, and exercising supervision over Fire Captains, performs responsible supervisory, technical and administrative work in commanding and supervising fire suppression, emergency medical, and rescue activities or fire prevention activities. May work a 56-hour or other work schedule depending on duty assignment and needs of the department. Provides highly responsible and technical staff assistance to the Deputy Fire Chief.

## ESSENTIAL DUTIES

- Assist in the development and implementation of goals, objectives, policies and procedures for the various divisions of the Fire Department
- Assume command in a leadership role for fires or other significant incidents
- Ascertain the need for and type of additional equipment necessary to handle emergencies; make technical decisions as to the best methods of extinguishing fires after observing the fire and receiving reports from company officers
- Assist in coordinating the department's fire inspection program
- Assist in the investigation of fires to determine cause and origin
- Assist in the preparation of the department budget and budget implementation
- Assist in coordinating Fire Department activities with other departments and divisions within the jurisdictions
- Serve on committees to update and revise the disaster plans and emergency operations
- Supervise, train, evaluate and maintain personnel records of assigned staff
- Participate in recommending the appointment of personnel; provide or coordinate staff training; work with employees to correct deficiencies and implement discipline procedures
- Participate in related training classes; conduct multi-company training exercises and assess readiness needs of fire personnel
- Assist in coordinating public fire safety training programs
- Assist in coordinating the development of specifications and acquisition of specialized firefighting support equipment
- Supervise the annual testing of fire apparatus
- Supervise the acquisition, testing, maintenance, inventory and records of fire hose
- Perform related duties as assigned
- Assists in the preparation and implementation of the department budget.
