CITY OF SAN BRUNO
COMMUNITY SERVICES DEPARTMENT

DATE: April 16, 2015
TO: Culture and Arts Commission
FROM: Kerry E. Burns, Community Services Director
SUBJECT: Continued Discussion on Traffic Signal Controller Boxes Art Project

The Culture and Arts Commission has expressed an interest in creating street art by inviting artists to paint the City's traffic control boxes. Attached to this staff report is a summary of sign locations and photographs.

The Commission has expressed an interest in creating a program much like that of the City of Redwood City where a theme was established and artists provided proposals. Once a proposal was approved, the City provided the artist up to \$500 per traffic control box for supply related expenses.

The purpose of this item is to continue the Commission's discussion regarding the nature and structure of the program.
