ART & DESIGN

Pre-School Drawing

This fall your pre-schooler will “fall” in love with our lessons. Just like the rainbow our youngest artists will create in the month of September, we will cover a colorful and pattern-rich spectrum of subjects. We'll soak in the warm colors of the sun as we draw a radiating sun face and we'll be careful not to get tangled up in our patterned spider web we draw in October! Learn about Native American culture through a detailed tepee we'll draw in November and celebrate the coming of the winter months with a nutcracker that takes his job seriously. We'll draw these (and may more exciting lessons!) while we enhance our fine-motor skills, learn to stay on task and follow directions, and learn the -skills so critical in the classroom! Hatha Yoga

Yoga means union and is designed to assist in integrating mind, body, and spirit. Each yoga posture not only helps us to relax, strengthen, and tone, but also aids in opening major energy centers. Over time, many of us build up and hold blocked energy within, creating tension, stress, and disease, which limits us from vibrating at our highest level. Take time for yourself and join this non-competitive, relaxing, and life-giving environment. No previous experience is necessary. Please bring a mat, strap, band, or belt. It is best not to eat prior to class.
