Recommendation

• Adopt a **Resolution**: 

  • Authorizing the City Manager to Execute a Consultant Services Agreement with WRT for the development of the San Mateo Avenue Streetscape Plan in an Amount Not to Exceed $125,000 and 

  • Appropriating funds in the adopted FY2018-19 budget in the amount of $125,000 from the City’s General Fund balance to fund the consultant costs to prepare the San Mateo Avenue Streetscape Plan.
Background 2009 General Plan

*General Plan* envisions to promote San Mateo Avenue as the symbolic heart of the city through implementation policies to **improve the visibility and appearance of the downtown, expand the streetscape amenities, beautify the street, place clearly marked crosswalks and upgrade the appearance of the downtown** with **combined efforts of the City, merchants and property owners.**
Background 2009 General Plan Policies

Land Use & Urban Design Policy 12: Improve the visibility of Downtown from El Camino Real through a variety of techniques that may include signage, lighting, landscape treatment, or provision of plaza or building design that “announces” Downtown.

Economic Development Policy I: Improve the image of San Mateo Avenue in Downtown as an appealing commercial street to shop, dine, and conduct business.

Transportation Policy A: Provide for efficient, safe, and pleasant movement for all transportation modes – vehicles, bicycles, transit, and pedestrians.
Background 2013 Transit Corridors Plan

- Transit Corridors Plan articulates the community's vision for revitalized commercial corridors and identified San Mateo Avenue Streetscape improvements as a short-term implementation project.

- **Implementation Action Item #7:**
  San Mateo Avenue streetscape improvements e.g. sidewalk landscaping, sidewalk furniture and lighting, bulbout installation and landscaping, bus stop amenities, special pavement materials for sidewalks, crosswalks and intersections, and raised intersection treatment

- **Implementation Action Item #10:**
  San Mateo Avenue “Northern and Southern Gateways” intersection realignment and Downtown gateway features (public art, wayfinding and signage)
