

The San Bruno Fire Department uses Knox Box brand security devices exclusively. To order a Knox Box, click on the link below, and follow the website directions:

<http://www.knoxbox.com>

Knox Box units are ordered by model series, based upon anticipated need. For most applications, a 3200 series box will suffice. Knox Boxes should be ordered in a HINGED CONFIGURATION ONLY. New construction should utilize recessed-style Knox Boxes whenever practical.

Should you have any questions regarding your Knox Box needs, contact the San Bruno Fire Department at (650) 616-7096.
