

## **Sewer Lateral Information for Homeowners**

The City of San Bruno is providing information to homeowners to introduce an opportunity to address the high cost that may result because of a failure of private sewer laterals. After much research, Service Line Warranties of America, (SLWA) in cooperation with the City of San Bruno, will be marketing its warranty products directly to homeowners. SLWA has an A+ rating with the Better Business Bureau, (BBB), is endorsed by the National League of Cities and has successful programs with other Municipalities on the Peninsula, including nearby Daly City.

**For information about the Service Line Warranty Program Please see the information below.**

## **NLC Service Line Warranty Program**

**The National League of Cities (NLC) Service Line Warranty Program, administered by Service Line Warranties of America (SLWA), is available to San Bruno residents. This warranty covers the cost of repairing broken or leaking sewer lines that are the responsibility of the homeowner. These types of repairs can be expensive and are usually not covered by homeowner's insurance. Keep an eye out for the letter that will be arriving in your mailbox soon!**
