

Michael Salazar
Incumbent

We live in a diverse, courageous and resilient city, forged over 100 years by dedicated leadership. The heart of San Bruno is demonstrated by its spirit of service, humanity, and working together toward the greater good of the whole. I believe in building on the past to achieve a future that respects the values entrenched in our City with a Heart. These principles continue to hold true even as we face a global pandemic and the resulting financial crisis.

In San Bruno, I have served on the City Council, Parks and Recreation and Crime Prevention Commissions, Capuchino's Alumni Association Board, the County's Measure K Oversight Committee, the Peninsula Clean Energy Board and the City/County Association of Governments.

While on the council we have initiated and advanced infrastructure upgrades, a Streetscape Plan, a Transit Corridors Plan, established the San Bruno Community Foundation, initiated programs to relieve parking issues and achieved a balanced budget (prior to COVID-19).

I have firsthand experience with issues facing San Bruno and understand how complex decision-making is when considering the welfare of ALL members of the community. I am an independent yet collaborative thinker holding a BS (Cal Poly) and an MBA (University of Rochester).

With appreciation, I respectfully ask for your vote for City Council. www.SalazarForCouncil.com
